Having read the entire series to date, I think this story does an adequate job of explaining how Team 3 was formed. Anyone who has read the series will appreciate it. I would have rated this story higher if the editing had been better. There are too many instances of missed words (forcing the reader to guess). Every unit of the FBI has those cases that just make an agent think, make them feel, and make them wonder why people treat others the way they do. PAVAD--the Prevention & Analysis of Violent Acts Division of the FBI--was no different. This was one of those cases.

CCU Team Three hadn't always been one of the top investigative teams in the nation. They had to start somewhere... Portland, Oregon was that start. A hacker with a story of his own was attacking
